

**St. Paul Cemetery**  
Worthington, IA

**CEMETERY**  
**DECORATING REGULATIONS**

**Decorations that interfere with mowing will be removed and discarded at first mowing.**

**Graves may be decorated on Friday evening before Memorial Day until the Sunday after Memorial Day.**

**If decorations are left over a longer period of time, they need to be attached to the monument so as not to interfere with lawn mowing.**

**The cement base around the monument is for lawn mower clearance. Front and back of monument must remain clear, things that interfere must be removed.**

**Please no glass containers and avoid putting wires into the ground because they tangle in lawn mowers.**

**Flowers, shrubs, and trees may not be planted in the cemetery.**

**Your cooperation is appreciated.**
